The Carousel Wedding Experience

Amazing Place .. Amazing Staff .. Amazing Food

After attending my son's wedding, reception and evening party at the Carousel, I have to say that I am very impressed with the flawless way that the day went. The venue was excellent and well suited for all events that take place as part of a wedding, from the wedding itself right through to the evening party.

All the staff were extremely professional and helpful, the food was top notch on every meal we had including the breakfast on the morning after. It is a long time since I have seen a wedding sit down meal served in such a quick and professional way.

I have no hesitation in recommending this venue to anyone, It was superb.

The room that we stayed in was very clean and well equipped, all in all a fantastic experience at a very reasonable price. A big thank you to all the staff for making my son's wedding a fantastic day.

Fantastic Wedding Venue

My husband and I were married at The Carousel Hotel. We chose this venue after attending a couple of weddings there and seeing how friendly the team were and reasonable prices were. From the outset after booking I had a very specific idea of how I needed the celebration suite to look which included a mountain of paper ceiling decorations to be hung, several trees to be decorated, glass lantern jars to be placed in specific places so my vision was more winter wonderland than seafront hotel. Not once did the Wedding Planner, the ops manager, or her team refuse any of my ideas and each week as I emailed with yet another thing to add to the list Wedding Planner was patient and had no problems with any of the ideas and changes I wanted to make.

The hotel even accommodated a local rock band with no issues providing the live music was done by 11pm. I stayed the night before the wedding with my maid of honour and had a three course meal and bottle of wine as part of my wedding package. The food was absolutely wonderful quality and super portions! I don't think I managed to finish any course except dessert!! We had breakfast the next morning in our room which was also cooked to order.

Throughout the preparation of the wedding, the actual wedding and wedding reception, the Carousel team have been nothing short of fantastic. Our guests are still talking about how beautiful our day was and how fabulous the hotel staff were. We had several of our guests stay the night and they all remarked how clean the rooms were and how fabulous the food was.

Ok, so this hotel isn't a posh scenic country house or a castle but as far as wedding venues go, if you want somewhere where they value you as a bride and groom and your day and aren't just in it for the money and fancy photos then you should go down and meet with the team and consider The Carousel. I'd not hesitate to recommend them in a heartbeat and will indeed look at The Carousel as a venue for any celebratory occasion in the future. Thank you

The most beautiful day anybody could wish for

Yesterday we got married at the carousel hotel, we had the most beautiful day anybody could wish for, the staff and the whole team were excellent a special massive thank you to the wedding planner who made everything run so smooth!! Nothing was too much trouble for her! She was so professional and amazing at her job!! I would highly recommend to anyone who is thinking of getting married this lady is the best and the hotel was first class.

Everything went like clockwork

We had our wedding ceremony and function at the Carousel Hotel. My new wife and I can not praise the staff enough, from reception through to the cleanliness of the rooms, everything is done to a very high standard by the team. The wedding planner worked none stop to ensure everything went like clockwork.

Easter Wedding

We held the Wedding Ceremony and Reception of my son here and they were absolutely fantastic from the moment of booking, through the planning stage right on to the 'Big Day'. The staff were so helpful and nothing was too much trouble and we can't thank them enough. Most family stayed over for 2 days and the hotel was very comfortable and clean, the breakfast was hot and good choice. The Wedding Breakfast was excellent and the service too.

Couldn't have asked for a better wedding

My wife and myself would like to thank all the team at the Carousel Hotel for a lovely day. Couldn't have asked for a better wedding. This place comes highly recommended. See you all again soon xx

The Carousel have given us a magical day we will never forget

We had an amazing wedding reception at The Carousel Hotel yesterday. It was perfect. All the guests thoroughly enjoyed the evening and we were so happy with everything. The Carousel's Wedding Planner is fantastic and nothing was too much trouble at all. The room was set out exactly as I pictured it and it looked stunning.

We don't live in the area which wasn't a problem at all because our Wedding Planner made it easy to plan everything via email and phone. All the other staff were lovely too and extremely helpful. We couldn't have wished for a better reception at all.

Thank you very much to everyone at The Carousel, you have given us a magical day we will never forget.
